

Helping you rediscover the **joy of hearing** is our purpose.

## MAESTRO\* Hearing Health Program

**DID YOU KNOW** that hearing loss begins to set in around the age of 40? This is a perfectly normal phenomenon and does not mean that you are in poor health!

**From the age of 65, 1 in 3 people will experience hearing loss, rising to 1 in 2 from the age of 75.**

In response to this statistic, we have developed the **MAESTRO\* Program** so that you can enjoy attractive benefits to help you take care of your hearing health and **rediscover the joy of hearing**.

### BENEFITS OF THE MAESTRO\* PROGRAM:

**Free hearing screening<sup>1</sup>** on four frequencies during your first consultation

**Discounts on<sup>2</sup>:**

- Premium batteries that ensure your hearing aids work at their best.
- Hearing aid repairs, if needed.
- the purchase of accessories to help you hear better in complex situations.
- the renewal of your **Privilege Card** for peace of mind.
- the purchase of a maintenance kit (regular or rechargeable).
